

Exploration of Expressions

JULI FREDERIKSEN

TUES 31 JANUARY - SAT 18 FEBRUARY 2012

Exploration of Expressions

JULI FREDERIKSEN

How are our thoughts and feelings linked?

Using varying medium and concept frameworks, Juli Frederiksen explores the symbolic use of expressionistic brushwork, mark-making, colour, texture, and tone, to visually link feeling and idea.

The exhibition will be made up of varying subject matters, with each utilising the expressionistic approach - deriving inspiration from a variety of emotionally expressionistic and abstract artists.
